

Turksat

A diagram showing the relative positions of several satellites in the SUD region. A horizontal black line at the bottom represents the horizon. A red arc above it represents the satellite arc. Six white circles with black outlines are placed along this arc, each representing a satellite. From left to right, the satellites are labeled: Turksat, Astra 28.2 (Astra 2), Astra 19.2 (Astra 1), HotBird, Eutelsat W3, and Atlantic Bird 3. The label 'SUD' is centered below the arc.

Astra 28.2
(Astra 2)

Astra 19.2
(Astra 1)

HotBird

Eutelsat W3

Atlantic Bird 3
